**for the greatest good**

Dear Parent Guardian,

RPA middle school has partnered with Discover Your Forest for an amazing, winter, outdoor educational experience. All students will travel to Mt. Bachelor on one Friday between January 19 and February 22. Discover Your Forest engages your child with real science and hands-on activities during a tour with Forest Service Educators on Deschutes National Forest. Contact your student's advisor or Shawn Diez at 541-526-0882 with any questions.

- 1/19 - McPherson/Wollscheid
- 1/26 - Middaugh/Radomski

**Location:**

- At the U.S. Forest Service hut at Mt. Bachelor's West Village

**Programs details:**

**Project SNOW 6<sup>th</sup> grade:**

Students learn to snowshoe and discover the winter environment at Mt. Bachelor. Students use field based and experiential approach in science inquiry to assess nivean environments; using snow tools, animal tracking and seasonal adaptation studies. Students address physical, life and earth science standards as well as winter safety and preparedness.

**Preparedness:**

- Snowshoe hike 1.25 mile in length (Snow Science may have less hiking time)
- Approximately 2 hours to snowshoe the entire route
- Typically below freezing temperatures (check weather reports that day)
- Wear warm, waterproof boots, layered clothing, snow pants, winter coat, hat and gloves
- Snow depth can vary; expect uneven surfaces and snow terrain

→ Signed School Permission Slip

→ Sack lunch and full water bottle (lunches can be purchased from Nutrition Services for \$3.00 or you can get one if you receive free/reduced lunch)

\*\*Adult chaperones are also needed. Please contact the office about how to get cleared to join!

*\*\*Please note, we are experiencing a low snowpack at the time, we may incorporate more forestry/wildlife studies into our field days.*

*DYF is a leading provider of bilingual and inclusion programs for diverse audiences. Field trip programs are designed to be inclusive and utilize adaptive tools and technologies to accommodate all abilities. DYF partners with Oregon Adaptive Sports during winter programming.*
