

IMPORTANT NOTE: Inclement Weather

Redmond Proficiency Academy observes the Redmond School District school closures during inclement weather. We make student safety a priority at RPA, and we take careful precaution to ensure the safety of our students and families when inclement weather strikes.

We understand that decisions about school schedules and bus route changes have an impact on our families. We appreciate your patience during these situations. While we know that our students and families are best served when we are open, our main concern is the safety of our students and staff.

During inclement weather, please make the best decision for the safety of your family. Decisions regarding inclement weather delays or school cancellations are made in the early morning, before school. Once the decision to delay and/or close has been made, that information is communicated to parents using the ALMA information system, posted on our website, Twitter, Facebook and immediately through local media outlets. You can also visit the RSD website at redmond.k12.or.us for updated information.
