

**IMPORTANT NOTE: Inclement Weather**

*Redmond Proficiency Academy observes the Redmond School District school closures during inclement weather.* We make student safety a priority at RPA, and we take careful precaution to ensure the safety of our students and families when inclement weather strikes.

We understand that decisions about school schedules and bus route changes have an impact on our families. We appreciate your patience during these situations. While we know that our students and families are best served when we are open, our main concern is the safety of our students and staff.

During inclement weather, please make the best decision for the safety of your family. Decisions regarding inclement weather delays or school cancellations are made in the early morning, before school. Once the decision to delay and/or close has been made, that information is communicated to parents using the ALMA information system, posted on our website, Twitter, Facebook and immediately through local media outlets. You can also visit the RSD website at [redmond.k12.or.us](http://redmond.k12.or.us) for updated information.

657 SW Glacier Avenue

Coming Up;

March 1-15

RPA OPEN ENROLLMENT

*Word of Mouth is the Best Way to Spread the Word!*

*RPA is excited for our upcoming Open Enrollment season from March 1st through March 15th. Though we accept applications all year, this Open Enrollment period is the best chance for a new family to secure a place at RPA. During Open Enrollment we will be hosting our annual "Experience RPA" Preview Night on March 5th from 5:30-7:30pm at both campuses. This is a great time for interested families to come see what we do - and see how much our students enjoy their school.*

*Remember, currently enrolled families don't need to apply to RPA - but please pass on the attached flyer to other families you know that might be interested in what RPA has to offer.*

## Redmond Proficiency Academy

is proud to present

### "Experience RPA" Preview Night

Join us 5:30pm-7:30pm on Tuesday, March 5th

Find out if RPA is right for your family:
