RPA OPEN ENROLLMENT

Word of Mouth is the Best Way to Spread the Word!

RPA is excited for our upcoming Open Enrollment season from March 1st through March 15th. Though we accept applications all year, this Open Enrollment period is the best chance for a new family to secure a place at RPA. During Open Enrollment we will be hosting our annual "Experience RPA" Preview Night on March 5th from 5:30-7:30pm at both campuses. This is a great time for interested families to come see what we do - and see how much our students enjoy their school.

Remember, currently enrolled families don't need to apply to RPA - but please pass on the attached flyer to other families you know that might be interested in what RPA has to offer.
