You'll come to a place where farmers once plowed, it's been turned into fields to play soccer now. Potatoes grew there (they have a nickname) the sixth letter goes in #2 frames. (If this spot's local nickname isn't your friend, look at the map on the sign at game's end)

J

Now look to your left, more fun to have here; If you jump and twist the people will cheer. If you don't wear a helmet you might not survive; the fourth letter of this sport goes in box #5.

K

Cross the street now, don't delay. You'll stop again where canines play. This family loved our furry friends - the first letter of their name goes in box 10.

L

Look to the left to toss a frisbee or two, but stay on the path for another thing to do. Find platform #5 and look for the plaque. This city is great and loves to give back. Put the 4th letter of the sponsoring one in box #7 - You're almost done!

M

You've reached the end, you should be pleased. I, (your rock-chuck friend Josephine) am one of these. The sign at the steps will tell you more. Look to the center, add vowels for a winning score! (take your completed puzzle to Cascade Swim Center at 465 SW Rimrock Way for your prize!)
